

DIGITIZATION

wellnova^{ai}

Transform old paper logs into actionable data with ease. Our solution streamlines the digitization process, offering intuitive tools and precise control every step of the way.

Whether you're processing scanned or digital PDF files, our platform empowers you to extract data quickly and accurately.

UPLOAD YOUR FILE

Start by uploading a PDF or image, whether it's digitally generated or a scanned document.

INTERACTIVE TRACK DELIMITATION

Use our interactive tools to semi-automatically separate the log tracks, helping guide the digitization process with precision.

ENHANCE WITH DETAILS

Add specific inputs and context to improve the quality and accuracy of the final output.

TRACK-BY-TRACK REVIEW

Visually review each track to validate the extracted data and ensure accurate digitalization.

GET YOUR FILE DIGITIZED

Once configured, receive your fully digitized file—ready for further use or analysis.

DOWNLOAD OR START INTERPRETATION

Download the digitized file or access our AI-assisted interpretation module to begin extracting insights.
